

Semi-Conductor Request for Application
Questions and Answers
Proposals Due April 11th by 5pm

Q: Are for-profit companies eligible to submit an application and proposal?

A: Yes.

Q: The RFA references an application. Is there an application form or is the application simply the information provided via a proposal found in the list in section III. Application Information?

A: There is no application form. Interested should form their response based on the information included.

Q: The RFA references Diversity Practices Questionnaire Appendix D. Yet, it is not found in the RFA. Is this the correct form?: <https://otda.ny.gov/contracts/2020/SSPP/20-SSPP-Appendix-D.pdf>

A: This can be used. If additional information is needed, ESD reserves the right to contact applicants to seek clarification or additional details.

Q: Section III. Application Information lists the specific order and section naming for the application and proposal. However, the list does not include the information required in V. Submission Requirements and VI. Appendices to this RFA. Should that information be added after application section 4. Proposal / e. Sample of Previous Work and References?

A: This section refers to additional forms that must be completed and submitted as part of the application.

Q: Are subcontractors to the prime proposer permitted?

A: Yes.
